

Following on from the success of the last 2 years, our Instagram inspired exhibition, **This Is What I Want to Show You** is returning for a third year. This photographic exhibition allows community members to share insights into each other's professional and personal worlds by using the Instagram app. Many of us use our phones to take pictures every day, but how many of these do we end up printing? So, **what would you like to show us?**

To participate, post up to 3 photos with the #LMSY2020 hashtag (which stands for Let Me Show You 2020) on your public Instagram profile. Tag @thehorsebridge in your post and tell us about your submission for **This Is What I Want to Show You**.

The open call will run until 16 March 2020. We will then select up to 200 images from all submissions, print and exhibit them in Gallery 2 from 27th March to 13th April. Each printed entry plus reprints will be for sale to the public for £5 to raise funds for The Horsebridge Arts Centre.

TERMS AND CONDITIONS

All information detailing how to enter this competition forms part of these terms and conditions. It is a condition of entry that all rules are accepted as final and that the entrant agrees to abide by these rules. Submission of an entry will be taken to mean acceptance of these terms and conditions.

Entries can only be received through the Instagram hashtag #lmsy2020 **AND** by tagging @thehorsebridge. Your profile needs to be set to public.

No other method of entry is accepted. Late, illegible, incomplete, defaced or corrupt entries will not be accepted.

OPEN TO ALL

The exhibition is open to participants of all ages and is free to enter. However, minors need a parent's or guardian's consent to enter. Participants might be asked to show proof of their identity and – in the case of minors – parental/guardian consent. Failure to do so will result in disqualification from the exhibition.

COPYRIGHT

You must warrant that the photograph you are submitting is your own work and that you own the copyright for it.

In addition to owning the copyright, you declare that you have complied with all relevant laws (copyright, privacy rights etc.) in producing your work and that you have obtained all necessary permissions. This might include third party works (such as architectural designs, sculptures or photographs).

Copyright of all submitted photos in this exhibition remains with the respective entrants. However, by submitting your entry, you consent to our use of your name, except where prohibited by law, and grant worldwide, irrevocable, rights to The Horsebridge Arts Centre, its partners and affiliates starting from the day of the submission, to feature the submitted image in any of their publications, their websites and/or in any promotional material connected to this exhibition.

By submitting an entry, you grant The Horsebridge Arts Centre the irrevocable right to publish the photograph in relation to this exhibition without compensation to you, including the print and potential sale of the print and any additions of the submitted image.

GENERAL

Do not take images of others without their consent. No children should be recognisable in the photograph.

Do not be offensive. Do not put yourself or others in danger when taking your photograph.

PRINTING

Chosen entries will be printed in a 4" x 4" format and exhibited in The Horsebridge Arts Centre in March 2020. While the Centre will take good care when printing the photographs for showcasing purposes, it cannot be held responsible if the printing quality is different from the quality expected by the entrant.
