THE HORSE
BRIDGE

A place where everybody can experience creativity.
Everyone is welcome, everyone can take part.

WELCOME

What a busy summer, the centre was buzzing with family crafting activities, original theatre and, as September rolled in, we welcomed visitors to our new Discover Sessions courses and creativity in the Studio is now complemented with jazz melodies.

As autumn begins we share a new season of Jazz as part of our music programme that also includes Imagine ... the Beatles. Constant Lark are bringing the festive spirit to our Theatre events, and do not miss the intriguing political comedy Sewage: Definitely not a musical!

Our Discover Sessions invite you to join up for portraiture, printmaking, painting, sewing and more, and please do take a look at the huge new range of classes and workshops for adults including meditation, collage, philosophy, fitness and festivities.

We are thrilled to be growing Create & Do for Families, with great new classes for young people including a youth choir and home-ed minecraft coding.

We hope you enjoy and see you soon.

Start the festive holidays with some family crafting fun, making your own Christmas decorations using local Oyster shells. Together you can decorative the shells and turn them into festive hanging decorations that can take pride of place on the Christmas tree year after year!

Your support and donations are essential to help us provide free or low-cost arts education to families and children who might not otherwise access creative learning. We believe this is important in helping reduce isolation, build confidence and improve educational and cultural skills and engagement.
