

Your decorate a hanging Star Kit contains:

2 pre-cut card stars Coloured pencils Assorted materials for decorating Cord for hanging

To create your hanging star, begin by separating the 2 star templates. Please decorate both stars front and back using the materials in the kit. If you have extra paints/pens or decorations at home please do feel free to use, the more colourful and sparkly the better!

When finished, thread the cord through the hole at the tip of one of the stars and tie in a knot to make a hanger.

Slot the stars back together and to finish, twist each star so the flat edges are at right angles to create a 3D star. If easier to transport flat, we can construct them ready for hanging when you return your star to the Centre.

Ideas for decorating your Star.

You could draw patterns and colour them in, use materials to make a collage, decorate by gluing on accessories, write a poem or a perhaps a wish for Christmas!

Examples of designs and patterns you could try

Please return your finished stars to the Horsebridge by **Friday 2 December** - we can't wait to see what you have made!

* Unfortunately we can't return individual stars, but if you have enjoyed this craft project please do let us know and we can provide you with a bit more material to make your own at home.
